

Teach Like a CHAMPION[®]

SYSTEMS AND ROUTINES – In Person Workshop (Perth)

PROGRAM OVERVIEW

PWRD Leadership, in partnership with Teach Like a Champion, is proud to support teachers and leaders with a Teach Like a Champion: Systems and Routines Face-to-Face Program. Former teacher, principal and charter-school founder Doug Lemov authored Teach Like a Champion after observing teachers getting exceptional results. He realised by naming and describing successful teacher techniques, coupled with short, focused video clips of the techniques in action, the practices could be easily shared with others.

This program, Teach Like a Champion: Systems and Routines, focuses on the techniques that champion teachers use to design, install and maintain systems and routines that students do automatically and with little-to-no teacher prompting, such as ‘strong start’, ‘cold call’ and ‘exit tickets’ or techniques for participating in a discussion. Upon completing this program, you will be equipped to return to your school and implement Teach Like a Champion in your classroom and have the materials to train others in the techniques from Teach Like a Champion: Systems and Routines.
